

FOLLOWING SACRED PATHWAYS

Journeys of Personal Spiritual Formation

SUMMER 2017

FOLLOWING SACRED PATHWAYS (FSP) is a personal spiritual formation program intended to help you grow in self-awareness and to deepen your encounter with the Divine. It will provide 'space' for you to hear the gentle voice of the Spirit as you listen deeply and compassionately to one another within the context of community, and continue your individual journey of faith.

The retreats that make up the summer Following Sacred Pathways program are listed below. They are part of the scheduled Providence Renewal Centre summer program retreats. Each retreat will include an additional time of community prayer and faith sharing just for the FSP participants to help you deepen your retreat experience.
