PROGRAM GUIDE

March 1, 2019 to August 31, 2019

MESSAGE FROM THE EXECUTIVE DIRECTOR

“How different are the joys of the world from those which are experienced in the service of the Lord.”

Blessed Emilie Gamelin

According to Statistics Canada and The Conference Board of Canada, approximately 44% of Canadians 15 and over participated in some form of volunteerism in 2017. When these people (and you may be among them) volunteer their time, energy, and skills to better society, and especially the less fortunate of society, they truly are “in the service of the Lord.” Service to others is as essential today as it was in Blessed Emilie’s 19th century Quebec, and like Emilie, those engaged in that service can find that service difficult.

Blessed Emilie’s prayer life, writing, spiritual advisors, and community all lifted her up when her spirit, mind, and body flagged under the weight of service to the less fortunate. Today, too, we must consciously make time to nourish ourselves and our souls, to enjoy the wonders of God’s great creation around us, and to allow ourselves to experience not just the joys of the world, but also those moments of the sacred, the divine, and the holy wherever we encounter them.

We hope that our program offerings this spring and summer present you with opportunities for the kind of spiritual reflection and personal development that may lead to greater service to others and that you, too, will know the joys “experienced in the service of the Lord”!

THE DARK NIGHT OF THE SOUL:

Growth in Love through Spiritual Suffering

Zinia Pritchard, D. Min., Life Associate – Sinsinawa Dominicans

Imagine a woman, pregnant with new life. Full. Imagine you are being held within the darkness of this womb; beyond conscious knowing, resting suspended in the protective waters of this spacious cavern. Growing. This is like the Darkness of the Night.

This retreat will introduce the spiritual theology of the Dark Night of the Soul through story, images, song, silence, reflection, and prayer. Prior to the retreat, participants are invited to journal an experience of suffering; this will be privately engaged during the retreat in support of personal exploration of the Night as growth in Love through spiritual suffering.

IN THE FOOTSTEPS OF A MOTHER: Journey with Mary

Carol Sebastian – inspired by the devotion of the Sisters of Providence

Live this Lent through the life and experience of Mary, Mother of Jesus. Ponder and pray *The Seven Sorrows of Mary*. Discover the depth of Mary’s love for her son as she embraces motherhood at a young age, flees danger, and lives as a refugee. Pray with her as she loses her teenage son and watches him grow into a ministry of radical love that would result in betrayal and crucifixion. How do we hold our suffering and the suffering of today’s world? The legends and stories of Mary provide lessons in compassion honed through prayer and contemplation.

FOR EVERYTHING THERE IS A SEASON

Journeying through Life's Transitions

Debbie Doornbos

The changing seasons in nature are like a metaphor for our lives. Nothing stays the same. Change is necessary but not necessarily easy. Changes bring transitions where we encounter questions of meaning, identity and purpose, grief and loss. Questions of “what now” emerge. Yet transition times can also open the door to new opportunities, personal and spiritual growth, and unforeseen possibilities. This three-week series will explore our journeys of change and transition, what they are teaching us, and how our spiritual practices can be an important part of the unfolding process. Lent is a perfect opportunity to reflect on our lives – on what is calling us to change and what this change and transition requires of us.

Thursdays: March 28, April 4, 11 1:30 to 4:00 pm

\$75.00 for 3 weeks **Event #12752 Register by: March 21**

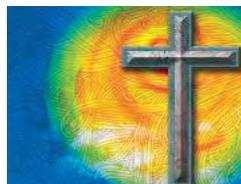

Debbie Doornbos is an experienced retreat leader, facilitator, adult educator and spiritual director. Deborah Kirkpatrick

Are you longing for a deeper way to connect with yourself and the Sacred? Come and explore the simple yet profound process of *Touch Drawing*. Fingers and hands take the place of a pen or brush. Tissue paper, placed over a board to which paint has been applied, is the canvas. Wherever the paper is touched, an imprint is made. Impulses from within take form on the paper. This intuitive, meditative, tactile process can yield spiritual insight and open one to self-discovery and emotional healing. No experience necessary. SPIRITUAL DIRECTION

What is spiritual direction? It is first and foremost a way of listening to another person that helps them discover for themselves how God/the Divine is moving in their lives. It is a one-to-one conversation with a trained and experienced spiritual director in an atmosphere of trust leading a person into a deeper awareness and appreciation for God's presence in his or her life. The spiritual direction process helps people who are seeking to live a more fully human, joy-filled life.

What is the role of the spiritual director? The spiritual director's role is that of a spiritual companion who, having traveled in his or her own desert and oasis places, can walk with another in similar places and affirm the doubts, pain, and confusion that may emerge. This allows the person to continue the process of growing in intimacy with God.

Who is spiritual direction for? Spiritual direction is for anyone who is seeking to deepen their relationship with God/the Divine. Our spiritual journeys can be enhanced when we walk with others, sharing the ups and downs, joys and sorrows of our everyday lives. An ongoing relationship with a spiritual director is beneficial at any time. However, it is often during times of major change and transition, loss and grief that we seek others to journey with us.

Is there the fee for spiritual direction? Yes, in most cases, and at the discretion of the individual spiritual director.

How do I find a spiritual director?

Along with the PRESENCE PROGRAM, our spiritual direction formation program (details page 5), we maintain a roster of trained, experienced spiritual directors. A profile of each of the spiritual directors on our roster, along with a photograph and their contact email is available on our website. You are invited to review these individual profiles at www.providencerenewal.ca/services/spiritual-direction and to make contact directly.

At Providence Renewal Centre, we strive to provide an atmosphere of quiet and peacefulness where seekers and spiritual directors can meet and journey together.

***“Come to me, all you that are weary
and are carrying heavy burdens,
and I will give you rest”.***

Matt. 11:28

SACRED SPACE

Sacred Space is a peaceful, reflective environment where you can rest, care for yourself, and deepen your relationship with the Divine. Sacred Space has five cozy bedrooms complete with a double bed, a private bathroom, desk and chair, and lounging chair. The space includes a shared kitchen, laundry facilities, and a common room. *Sacred Space* is set aside especially for those who wish to focus on their relationship with God by making a sabbatical or a private retreat.
