

**PROVIDENCE prays**  
*the 12 Days of Christmas*

**DAY 1 - Dec 26**

*What surprised you this season? What was your “partridge in a pear tree”?*

**DAY 2 - Dec 27**

*Where did you encounter love, bring love? Who was your “turtle dove”?*

**DAY 3 - Dec 28**

*What are you savouring this season? What has been unique as a “French hen”?*

**DAY 4 - Dec 29**

*What invitation have you heard this season? Who was or where did you encounter “calling birds”?*

**DAY 5 - Dec 30**

*Circles and cohorts have become common language during this pandemic year. Consider and pray for those in the “golden rings” of your life.*

**DAY 6 - Dec 31**

*Where and how is the gift of life being revealed to you? What opportunities might the “geese” being “laying” for you to discover?*

**DAY 7 - Jan 1**

*Never before have we been more aware that we are “swimming” in these waters of life together. Pray with and for the “swans” in the waters of your life ... grateful that you are not alone.*

**DAY 8 - Jan 2**

*Ponder how and where you give and receive in your life. Like “maids a milking” we engage to receive the gift of nourishment. Pray in gratitude for opportunities to serve and to graciously receive the service of others.*

**DAY 9 - Jan 3**

*In Jesus’ birth we celebrate incarnation – God becoming human. Celebrate your humanness by allowing your heart and body to “dance like nobody’s watching”.*

**DAY 10 - Jan 4**

*Consider “leaps” of faith the Lord be inviting you to take in 2021?*

**DAY 11 - Jan 5**

*In the privacy of your home, sing! Open your wind “pipes” and praise God for the space in which you live.*

**DAY 12 - Jan 6**

*Envision humanity as the drum section of creation’s orchestra. Whose beat are you following? How are you contributing to the band? With whom are you drumming the song of 2021?*
